PART I

LETTER FROM THE CHAIRMAN

1 March 2013

To the holders of Ordinary Shares

Dear Shareholder,

I am pleased to provide you with details of our Annual General Meeting ("**AGM**"), which we are holding in the Presentation Suite, 2nd Floor, Millennium Bridge House, 2 Lambeth Hill, London EC4V 4GG on Thursday, 9 May 2013 at 11.00 a.m. The formal notice of the AGM is set out in Part II of this document. We are arranging for the AGM to be webcast again this year so that our numerous shareholders in African territories where the Company is listed and our other shareholders who cannot readily attend the meeting in London can, if they have access to a computer, observe the proceedings. The webcast will be accessible via our website by visiting www.oldmutual.com/agm. Also, if you wish to notify us of any questions that you would like to be dealt with at the AGM, please submit them via the Group Company Secretary, either by post to him at the Company's registered office in London or by email to martin.murray@omg.co.uk.

Final dividend

Shareholders are being asked to approve a final dividend (the "**Final Dividend**") of 5.25p per ordinary share (or its equivalent in other applicable local currencies as determined by the directors) for the year ended 31 December 2012. If approved at the AGM, the recommended final dividend will be paid on 31 May 2013 to holders of such shares on the register of members at the close of business on 26 April 2013. No scrip dividend is being made available for the Final Dividend and it will be settled wholly in cash.

Election and re-election of Directors

Ms Danuta Gray has joined the Board since last year and, in accordance with the Company's Articles of Association, stands for election at this year's AGM.

The UK Corporate Governance Code recommends that all Directors of FTSE 350 companies should be subject to annual re-election by shareholders. Accordingly, all the other Directors of the Company (other than Russell Edey and Lars Otterbeck, who will be retiring from the Board) will also again be submitting themselves for re-election at this year's AGM.

Details of each of the directors submitting themselves for election or re-election and of the reasons why they are recommended for reappointment are provided in the Explanatory Notes to Resolutions 3(i) to 3(x) in Part III of this document.

Other information

To vote on the resolutions, please fill in the proxy form or voting instruction form sent to you with this document (or available for download from our website) and return it as soon as possible. In order to be valid, it must be received at the applicable return address by 11.00 a.m. (UK time) on 7 May 2013.

As usual, voting on all of the resolutions contained in the notice of AGM will be conducted by a poll and the results will be announced to the markets as soon as practicable after the end of the meeting.

The Board considers that all of the resolutions to be put to the meeting are in the best interests of the Company and its shareholders as a whole. Members of your Board will be voting their own shares in the Company in favour of them and we unanimously recommend that you do so as well.

Yours sincerely,

Patrick O'Sullivan
Chairman

Notes

1. Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. If a share is held by joint shareholders and more than one of the joint shareholders votes (including by way of proxy), the only vote that will count is the vote of the person whose name is listed before the other voter(s) on the register for the share. If you have not been sent a proxy form or voting instruction form or if you require additional forms, please contact Computershare Investor Services in South Africa on 0861 100 940 or +27 (0)11 870 8211 or in the UK on +44 (0)870 707 1212. Forms are also available to be downloaded from our website at www.oldmutual.com/aggm.
2. To be effective, the form of proxy or, as the case may be, the voting instruction form and any power of attorney or other authority under which it is signed, or a notarially certified copy of such power or authority, must be received by post or (during normal business hours only) by hand by our registrars at their respective addresses set out at the end of this document or via the CREST website by not later than 11.00 a.m. (UK time) on 7 May 2013. If your shareholding has been dematerialised or immobilised in the context of Strate through a CSDP or broker other than Computershare, you should contact your CSDP or broker to ascertain the return address for it to process your voting instructions. It is recommended that, because of the requirement for votes in relation to shares dematerialised or immobilised in the context of Strate to be collated through CSDPs and brokers and then reconciled through PLC Nominees (Pty) Limited, voting instructions by beneficial owners of such shares should be submitted so as to arrive at least 72 hours before the time of the meeting.
3. The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in paragraph 8 below) will not prevent a shareholder from attending the AGM and voting in person if he or she wishes to do so.
4. Beneficial shareholders who hold their shares through the Swedish nominee, Euroclear Sweden AB, may provide Euroclear Sweden AB with voting instructions or may apply for a letter of representation from the registered shareholder to enable them to attend the AGM in person. If you are such a beneficial shareholder and wish to submit voting instructions, it is recommended that you submit these to Old Mutual plc, c/o Computershare AB, Box 610, 182 11 Danderyd, Sweden so as to arrive by the close of business on 6 May 2013 in order to assist with the matching of records with data relating to underlying beneficial shareholders.
5. Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 1 and 2 above does not apply to Nominated Persons. The rights described in those paragraphs can only be exercised by shareholders of the Company.

6. A member who holds shares through Old Mutual Nominees may instruct the nominee company to vote at the AGM on his or her behalf or request such nominee company to appoint or, in the case of shares dematerialised or immobilised in the context of Strate, to arrange with the registered shareholder to appoint him or her as proxy to enable him or her to attend the AGM in person (Old Mutual Nominees is Old Mutual (South Africa) Nominees (Pty) Limited, Old Mutual (Namibia) Nominees (Pty) Limited, Old Mutual Zimbabwe Nominees (Private) Limited or Old Mutual (Blantyre) Nominees Limited, depending on whether shares are held through the Group's nominee on the South African, Namibian, Zimbabwean or Malawian branch register respectively). Beneficial holders of shares on the South African branch register or the Namibian section of the principal register who have dematerialised or immobilised their shareholdings in the context of Strate other than through Old Mutual Nominees may provide their CSDP or broker with voting instructions in accordance with the applicable custody agreement or may apply to that CSDP or broker for a letter of representation from the registered shareholder to enable them to attend the AGM in person.
7. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
8. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a **"CREST Proxy Instruction"**) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Computershare ID 3RA50 not later than 11.00 a.m. UK time (12 noon South African time) on 7 May 2013. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which Computershare is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
9. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
10. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
11. Any corporation which is a member of the Company can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

12. To be entitled to attend and vote at the AGM (and for the purpose of determination by the Company of the votes they may cast), shareholders must be registered in the register of members of the Company at 6.00 p.m. (UK time) on 7 May 2013 (or, in the event of any adjournment, on the date which is two business days before the time of the adjourned meeting). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.
13. The total number of voting rights in the Company's issued share capital at 1 March 2013 was 4,893,345,814.
14. The form of proxy and voting instruction form include a "Vote Withheld" option against each resolution, which enables a member to abstain on that resolution. However, it should be noted that a "Vote Withheld" is not a vote in law and will not be counted in the calculation of the proportion of the votes "For" and "Against" that resolution.
15. Under section 527 of the Companies Act 2006, members who meet the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to:
 - (i) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the AGM; or
 - (ii) any circumstance connected with the auditors of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006.

The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.

16. Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting, but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
17. A copy of this notice, and other information required by section 311A of the Companies Act 2006, is available on the Company's website at www.oldmutual.com/aggm.
18. Shareholders may not use any electronic address provided in either this notice of AGM or any related documents (including the proxy form and the voting instruction form) to communicate with the Company for any purposes other than those stated.

PART III

EXPLANATORY NOTES RELATING TO THE BUSINESS TO BE CONDUCTED AT THE ANNUAL GENERAL MEETING

The notes on the following pages give an explanation of the proposed resolutions.

Resolutions 1 to 7 will be proposed as ordinary resolutions. This means that, for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 8 to 11 will be proposed as special resolutions. This means that, for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 2 – Final Dividend

A Final Dividend of 5.25p per Ordinary Share (or its equivalent in other applicable local currencies as determined by the directors) is recommended by the Board. Subject to the dividend being approved at the AGM, it is expected that the relevant subsidiaries of the Company will declare to the trustees of the Group's dividend access trusts in each of South Africa, Zimbabwe, Namibia and Malawi (or, in the case of South Africa, a company associated with the local dividend access trust) an equivalent amount of dividend in relation to the estimated number of shares on those territories' respective registers in their respective local currencies (this being US dollars in the case of Zimbabwe) by reference to exchange rates determined by the Company at the close of business on 11 April 2013.

Shareholders on the branch registers (or, in the case of Namibia, the relevant section of the principal register) in those territories will then receive their dividend, in accordance with the provisions of the Company's Articles of Association, from the dividend access trust concerned (or, in the case of South Africa, a company associated with the local dividend access trust) rather than from the Company.

In relation to shareholders who hold their shares in the Company through the Swedish nominee, Euroclear Sweden AB, the SEK equivalent of the Sterling dividend will also be fixed by reference to the exchange rate determined by the Company at the close of business on 11 April 2013.

Further information about the timetable for the Final Dividend is contained in the Shareholder Information section of the Company's Annual Report and Annual Review for 2012.

Resolutions 3(i) to (x) – Election and re-election of Directors

Resolution 3(i): Election of Danuta Gray

Danuta Gray, B.Sc., M.B.A., (54) has joined the Board as an independent non-executive director of the Company from 1 March 2013.

Ms Gray was Chairman of Telefónica O2 in Ireland until December 2012, having previously been its Chief Executive from 2001 to 2010. She has over 20 years of experience in the telecommunications and mobile phone sector. Ms Gray remains a consultant to Telefónica in Germany. Prior to moving to Ireland, Ms Gray was a Senior Vice President for BT Europe in Germany and she has experience in sales, marketing, customer service and technology and in leading and changing large businesses.

Ms Gray is a non-executive director, chairman of the Remuneration Committee and a member of the Audit Committee of Aer Lingus plc and also a non-executive director and member of the Remuneration Committee of Paddy Power PLC. She previously served for seven years on the board of Irish Life and Permanent plc and was also a director of Business in the Community.

As Ms Gray has only recently been appointed, she did not take part in the Board effectiveness review for 2012. However, her background in mobile telecommunications and IT will widen the Board's skill base as the Group increases its distribution capabilities using new technologies, and she also has great insight into life assurance and related financial services through her past experience. Her election is therefore recommended to shareholders.

Resolution 3(ii): Re-election of Mike Arnold

Mike Arnold, B.Sc., F.I.A., (65) has been an independent non-executive director of the Company since September 2009 and chairs the Board Risk Committee. He is also a member of the Group Audit and Nomination Committees. He is a qualified actuary and was formerly Principal Consulting Actuary and Head of Life practice at the consulting actuarial firm Milliman from 2002 to 2009. Prior to that, he had been the senior partner at the practice from 1995. He is a past Member of Council and Vice Chairman of the Institute of Actuaries, past Chairman of the International Association of Consulting Actuaries and past member of the Board of Actuarial Standards. He is also a non-executive director of Financial Information Technology Limited and of Scottish Equitable Policyholders Trust Limited.

Mr Arnold brings to the Board a detailed understanding of actuarial matters, which enables the Group Audit Committee (of which he is a member) and the Board Risk Committee (which he chairs) to provide technical challenge to the Group's reported results, especially those of its life businesses.

The Board's collective and individual effectiveness was assessed as part of the internally conducted Board effectiveness review for 2012. Mr Arnold's individual performance was also reviewed by the Chairman. His contribution to the Board during 2012, including his Chairmanship of the Board Risk Committee, was seen as very valuable. His re-election is therefore recommended to shareholders.

Resolution 3(iii): Re-election of Philip Broadley

Philip Broadley, M.A., F.C.A., (52) has been Group Finance Director since November 2008. He is also a member of the Board Risk Committee and a non-executive director of the Group's US Asset Management business. He was previously Group Finance Director of Prudential plc from May 2000 until March 2008. Prior to joining Prudential, he was a partner in Arthur Andersen from 1993 to 2000. He has been Chairman of the 100 Group of Finance Directors, was a founding member and trustee of the CFO Forum of European Insurance Company Finance Directors, and was a member of the IASB's Insurance Working Group. He is a member of the Code Committee of the Takeover Panel and of the Oxford University Audit and Scrutiny Committee.

Mr Broadley has a deep understanding of, and experience in, the finances of insurance groups. Since he became Group Finance Director, he has implemented significant improvements in the financial reporting and controls of the Group, while also making an important contribution to the Board's discussion of strategic and operational matters.

The Board's collective and individual effectiveness was assessed as part of the internally conducted Board effectiveness review for 2012. Mr Broadley's individual performance was also reviewed by the Group Chief Executive. His contribution to the Board during 2012 was considered excellent. His re-election is therefore recommended to shareholders.

Resolution 3(iv): Re-election of Alan Gillespie

Alan Gillespie CBE, B.A., M.A., Ph.D., (62) has been an independent non-executive director of the Company since November 2010 and became the Senior Independent Director in May 2011. He is also a member of the Group Audit, Nomination and Remuneration Committees and will succeed Mr Edey as Chairman of the last of these in May 2013. His banking career began at Citibank, where he spent 10 years from 1976 to 1986. He joined Goldman Sachs in New York in 1986 and was made a partner of the firm in 1990, with responsibility for corporate finance and mergers and acquisitions in the UK and Ireland. He jointly led the firm's financial services practice in Europe and in 1996 established Goldman Sachs' presence in South Africa. After retiring from Goldman Sachs in 1999, he became Chief Executive of the Commonwealth Development Corporation in the UK. In 2001 he became Chairman of Ulster Bank, a subsidiary of Royal Bank of Scotland plc. He is also currently Senior Independent Director of United Business Media plc and Chairman of the Economic & Social Research Council and of the International Finance Facility for Immunization (IFFIm).

Mr Gillespie's background in investment banking and financial services has enabled him to make a valuable contribution to the Board's deliberations during the past year, particularly in discussions of the Group's future strategic direction. He has also taken on the role of Senior Independent Director effectively, participating when required in discussions with significant shareholders and ensuring that their views are made known to the Board. His re-election is therefore recommended to shareholders.

Resolution 3(v): Re-election of Reuel Khoza

Reuel Khoza, Eng.D., M.A., (62) has been a non-executive director of the Company since January 2006 and Chairman of Nedbank Group since May 2006. He is also a member of the Board Risk and Nomination Committees. He is Chairman of Aka Capital, which is 25% owned by Old Mutual (South Africa). He is also a non-executive director of Nampak Limited, Protea Hospitality Holdings Limited and Corobrik (Pty) Limited. His previous appointments include Chairmanship of Eskom Holdings Limited and non-executive directorships of Glaxo Wellcome SA, IBM SA, Vodacom, the JSE, JCI, Standard Bank Group and Liberty Life. He is currently a Fellow and President of the Institute of Directors of South Africa.

Mr Khoza's position as Chairman of Nedbank enables the Board to gain direct insight into matters relating to one of the Group's major businesses and serves as an important conduit for managing the relationship between the Company and its South African banking business. More generally, his involvement in the South African business community provides the Board with valuable insights into developing issues in the country. His contributions to the South African perspective and broader business effectiveness of the Board are highly regarded. His re-election is therefore recommended to shareholders.

Resolution 3(vi): Re-election of Roger Marshall

Roger Marshall, B.Sc. (Econ.), F.C.A., (63) has been an independent non-executive director of the Company and Chairman of the Group Audit Committee since August 2010. He is also a member of the Board Risk and Nomination Committees. He was formerly an audit partner in PricewaterhouseCoopers, where he led the audit of a number of major groups, including Zurich Financial Services and Lloyds TSB. Previous outside appointments included six years as a member of the Accounting Standards Board. He is currently Chairman of the Accounting Council, a Director of the Financial Reporting Council and a non-executive director of Genworth Financial's European insurance companies.

Mr Marshall's long experience of auditing major life companies gives him the ideal background to chair the Group Audit Committee and also enables him to make a valuable contribution to the Board's discussions, particularly in addressing the financial implications of alternative courses of action. His Chairmanship of the Group Audit Committee during 2012 was considered during the Board effectiveness review and rated as very effective, with excellent co-ordination between that Committee and the Board Risk Committee. His re-election is therefore recommended to shareholders.

Resolution 3(vii): Re-election of Bongani Nqwababa

Bongani Nqwababa, B.Acc., C.A., M.B.A., (46) has been an independent non-executive director of the Company since April 2007. He is also a member of the Group Audit, Nomination and Remuneration Committees. He has been Finance Director of Anglo American Platinum Limited since 2009, having previously been Finance Director of the South African electricity utility group, Eskom Holdings Limited, from 2004. Prior to joining Eskom, he had been Treasurer and CFO of Shell Southern Africa. He is currently Chairman of the South African Revenue Services (Receiver of Revenue) Audit Committee.

Mr Nqwababa's practical knowledge of the South African business and operating environment and his insight into financial matters make him a valued member of the Board and of the Group Audit Committee. His individual performance was reviewed as part of the Board effectiveness review and he was judged as having contributed effectively, with a detailed financial accounting knowledge, a broad commercial focus, and knowledge and experience of South Africa. His re-election is therefore recommended to shareholders.

Resolution 3(viii): Re-election of Nku Nyembezi-Heita

Nku Nyembezi-Heita, B.Sc., M.Sc., M.B.A. (51) has been an independent non-executive director of the Company since March 2012. She has been the Chief Executive Officer of Arcelor Mittal South Africa, the largest steel producer on the African continent, since March 2008. Prior to this, she served as the Chief Officer of Mergers and Acquisitions for the Vodacom Group and before that, she was Chief Executive Officer of Alliance Capital (which was at that time the local South African subsidiary of the New York-based global investment management company) for seven years. She is also a non-executive director of the JSE Limited.

Having served as a non-executive Director on the board of Old Mutual Life Assurance Company (South Africa) Limited since 2010 (a position she relinquished upon taking on her role at plc level), Ms Nyembezi-Heita brings to the Board significant knowledge of one of the Group's major businesses, as well as more general insight into the South African business environment as a result of her current and previous senior executive roles in that country.

Her individual performance was also reviewed as part of the Board effectiveness review. She was seen as having contributed effectively to the Board during the year, with detailed financial accounting knowledge, a broad commercial focus, and knowledge and experience of South Africa. Her re-election is therefore recommended to shareholders.

Resolution 3(ix): Re-election of Patrick O'Sullivan

Patrick O'Sullivan, B.B.S., F.C.A. (Ireland), M.Sc., (63) joined the Board as Chairman in January 2010. He also chairs the Nomination Committee. From 2007 until 2009, he was Vice Chairman of Zurich Financial Services, where he had specific responsibility for its international businesses including those in South Africa. He had previously held roles at Zurich as Group Finance Director and CEO, General Insurance and Banking, of its UKISA division. Qualified as a chartered accountant, his prior experience includes positions at Bank of America, Goldman Sachs,

Financial Guaranty Insurance Company (a subsidiary of GE Capital), Barclays/BZW and Eagle Star Insurance Company. He is also Chairman of the Shareholder Executive, a non-executive director of Man Group plc and Deputy Governor of the Bank of Ireland.

Mr O'Sullivan has a strong track record of leading financial services businesses through periods of challenge and of tackling strategic issues successfully. His wide-ranging international experience and knowledge of the financial services industry, allied with excellent leadership ability, make him a highly effective Chairman of the Board, as shown by feedback from this year's Board effectiveness review. He was seen as having effectively led the Board during the past twelve months and created an appropriate atmosphere of challenge, contribution and inclusion across the Board. His re-election is therefore recommended to shareholders.

Resolution 3(x): Re-election of Julian Roberts

Julian Roberts, B.A., F.C.A., M.C.T., (55) has been Group Chief Executive of Old Mutual plc since September 2008. He is also a member of the Nomination Committee, as permitted by the UK Corporate Governance Code, and a non-executive Director of Nedbank Group Limited, Nedbank Limited and Old Mutual Life Assurance Company (South Africa) Limited. He joined Old Mutual in August 2000 as Group Finance Director, moving on to become CEO of Skandia following its purchase by Old Mutual in February 2006. Prior to joining Old Mutual, he was Group Finance Director of Sun Life & Provincial Holdings plc and, before that, Chief Financial Officer of Aon UK Holdings Limited.

Since becoming Group Chief Executive, Mr Roberts has steered the Group successfully through the aftermath of the 2008-9 financial crisis and set clear targets for 2012, which the Group succeeded in achieving. He has also taken steps to strengthen the quality of senior executive management and to improve the Group's governance model. His knowledge of the Group's businesses and his depth of previous experience in the life sector make him a very strong contributor to the Board and leader of the Group. His re-election is therefore recommended to shareholders.

Details of the Chairman's and other non-executive Directors' engagement letters and of the executive Directors' service agreements are contained in the Remuneration Report in the Annual Report and are also available on the Company's website.

Resolutions 4 and 5 – Auditors

KPMG Audit Plc has indicated its willingness to continue in office and Resolution 4 proposes the re-appointment of that firm as the Company's auditors until the end of the next AGM. Resolution 5 proposes that the Group Audit Committee should be authorised to determine the auditors' remuneration for 2013.

Resolution 6 – Approval of the Remuneration Report

An advisory resolution will be proposed to approve the Remuneration Report for the year ended 31 December 2012 as set out in the Annual Report. The Remuneration Report includes, among other things, details of the members of the Committee and the Company's policy on directors' remuneration, and describes the remuneration arrangements in place for the executive directors and non-executive directors during 2012.

Resolution 6 is of an advisory nature only, and failure to pass this Resolution will therefore not have any legal consequences relating to existing arrangements. However, the Board will take the outcome of the vote into consideration when considering the Company's future remuneration policy.

Resolutions 7 and 8 – Authority to allot shares

In accordance with section 551 of the Companies Act 2006, it is proposed to renew the authority for the directors to allot shares in the Company up to an aggregate nominal value of £27,961,000, representing 5% (rounded down to the nearest £1,000 nominal) of the current issued ordinary share capital at 1 March 2013 without having to obtain prior approval from shareholders.

In accordance with the Companies Act 2006, it is proposed to renew the authority of the directors to allot equity securities and to give directors the authority to sell any Ordinary Shares which the Company may from time to time hold in treasury for cash without first being required to offer such securities pro rata to existing shareholders in accordance with the provisions of the Companies Act 2006. The disapplication authority contained in Resolution 8 is limited to shares with an aggregate nominal value of £27,961,000, being 5% (rounded down to the nearest £1,000 nominal) of the issued ordinary share capital of the Company at 1 March 2013.

In accordance with the Pre-emption Group's 2008 Statement of Principles, the Company confirms that it does not plan to issue, without prior consultation with shareholders, more than 7.5% of the Company's issued share capital (excluding treasury shares) for cash other than to existing shareholders in any rolling three-year period.

The Directors have no present intention to allot additional Ordinary Shares in the Company under these authorities except pursuant to existing employee share plans. However, these authorities provide the Company with flexibility to be able to respond to opportunities and requirements as they arise during the year.

The authorities sought under resolutions 7 and 8 will expire at the end of the next AGM of the Company.

Resolutions 9 and 10 – Purchase of own shares

We are proposing that the existing authorities for the Company to buy back its shares should be renewed for a further year. These authorities provide the Company with desirable flexibility in its capital management. Approval is sought in Resolution 10 for five contingent purchase contracts with the respective named counterparties relating to potential purchases of the Company's shares on the four overseas stock exchanges where the Company has a secondary listing. These contracts are intended to enable the Company to buy back its shares on those exchanges in similar fashion and subject to the same overall limit on quantum as on-market purchases on the London Stock Exchange.

The authorities sought are subject to a limit of 10% (rounded down to the nearest 1,000 shares) of the Company's issued ordinary share capital at 1 March 2013.

The purchase price for any shares is: (i) for on-market purchases, the higher of: (x) the amount equal to 5% above average market value taken from the London Stock Exchange Daily Official List for the five business days immediately preceding the date of the purchase; and (y) the higher of the price of the last independent trade and the highest current independent bid on the trading venues where the purchase is carried out, in each case, exclusive of expenses; or (ii) for purchases under any of the contingent purchase contracts, no more than 5% above the average of the closing quotations in local currency terms as reported by the local stock exchange concerned for the five business days preceding such purchase. Any shares purchased under the authority to be granted by Resolution 9 or pursuant to any of the contingent purchase contracts

to be approved under Resolution 10 will either be cancelled or may be held as treasury shares (see below).

In accordance with the Companies Act 2006, companies may retain their own shares that they have repurchased as treasury stock with a view to possible re-issue at a future date, rather than cancelling them. If the Company were to purchase any of its own shares pursuant to the authorities sought in Resolutions 9 and 10, it would consider whether or not to hold them as treasury stock. If they were so held, this would give the Company the ability to re-issue treasury shares quickly and cost effectively, and would provide the Company with additional flexibility in the management of its capital base.

The Directors have no present intention of exercising the authority to buy back any of the Company's shares and the authorities under Resolutions 9 and 10, if approved, would only be exercised if it could be expected to result in an increase in earnings per share and if the Board considered it to be in the best interests of shareholders generally.

At 28 February 2013, the Company had outstanding option awards under employee share schemes equivalent to 49,703,606 additional Ordinary Shares, representing 1.02% of the Company's issued ordinary share capital at that date. If the existing authorities to allot shares given at the 2012 AGM and the authorities to be given by Resolutions 9 and 10 were to be fully used, these option awards would represent 1.07% of the Company's issued ordinary share capital at that date.

Resolution 11 – Amendment to the Company's Articles of Association

The proposed amendment to Article 133(A) of the Company's Articles of Association is intended to clarify and shorten the notice period that applies to communications sent by the Company to shareholders by post. The current Article 133(A), which the proposed new Article would replace, provides that documents sent by post are deemed only to be received five days after being posted. The new language is designed to be more in line with actual postal delivery times and to reflect the different expected postal delivery times depending on how and where documents are mailed. In light of this proposed shortening of the deemed delivery date, the Company has not, this year, sought to renew its authority to call general meetings (other than Annual General Meetings) on 14, rather than 21, days' notice under the Companies (Shareholders' Rights) Regulations 2009.

Documents available for inspection

Copies of the executive directors' service contracts, the engagement letters of the Chairman and other non-executive directors, the contingent purchase contracts referred to in Resolution 10 and the Company's Articles of Association showing the change proposed in Resolution 11 above are available for inspection at the registered office of the Company in London during normal business hours on each business day from the date of this notice until the end of the AGM and in the Presentation Suite, 2nd Floor, Millennium Bridge House, 2 Lambeth Hill, London EC4V 4GG from at least 15 minutes prior to the AGM until the end of that meeting. These documents will also be available in the AGM section of the Company's website until the end of that meeting.
