

All the performance.

All the security.

SYmmETRY
multi manager

At SYmmETRY, we've found the perfect balance of performance and security. The performance is as a result of our unsurpassed skill in the identification, blending and monitoring of the most skilled managers. We've combined this with the security, integrity and many decades' experience of Old Mutual. It's a fine balance that's focused solely on producing great returns for all our clients. For tailored investment strategies, contact your fund consultant, visit www.symmetry.co.za, or access our retail funds through Old Mutual's retail product range, by speaking to your broker or adviser or calling 0860 INVEST.
