

Introducing our

# Classic Investment Collection

Designed by the Old Mutual Investment Group

## THE WATCH

A good watch will last your whole lifetime and still be a treasured family heirloom at the end of it. So it makes sense to invest in a brand that has a long history of innovative design and reliable engineering.

The same principle applies to investing. Old Mutual Unit Trusts brings you our Classic Investment Collection – a range of five superbly crafted unit trusts expertly designed to suit your specific investment needs and managed to deliver impressive results time and time again.
