DISCLAIMER

This presentation may contain certain forward-looking statements with respect to certain of Old Mutual plc's plans and its current goals and expectations relating to its future financial condition, performance and results.

By their nature, all forward-looking statements involve risk and uncertainty because they relate to future events and circumstances which are beyond Old Mutual plc's control including amongst other things, international and global economic and business conditions, market related risks such as fluctuations in interest rates and exchange rates, the policies and actions of regulatory authorities, the impact of competition, inflation, deflation, the timing and impact of other uncertainties of future acquisitions or combinations within relevant industries, as well as the impact of tax and other legislation and other regulations in the jurisdictions in which Old Mutual plc and its affiliates operate. As a result, Old Mutual plc's actual future financial condition, performance and results may differ materially from the plans, goals and expectations set forth in Old Mutual plc's forward looking statements.

Old Mutual plc undertakes no obligation to update the forward-looking statements contained in this presentation or any other forward-looking statements it may make.

QUILTER CHEVIOT TRANSACTION RATIONALE

RATIONALE

- Accelerate strategy to build UK's leading vertically integrated Wealth Management business – pro forma FUM of £92bn (H1'14) ⁽¹⁾
- Acquire a leading Discretionary Investment Manager with scale in the UK to service High Net Worth (“HNW”) clients
 - Discretionary Investment Management is a fast growing, fragmented segment of UK Wealth Management market with no dominant competitors
- Opportunity to add significant value to Old Mutual: quality of the asset and earnings stream combined with strength and track record of Quilter Cheviot management team
- Strategic and operational synergies: £9m run-rate cost and margin synergies with further revenue synergy potential (£6m+)
- High performing asset expected to achieve target return on equity of 12-15% within 3 years

FAST GROWING ATTRACTIVE DYNAMICS

(1) Excluding Germany and Austria.

(2) Adjusted EBITDA includes or excludes certain one-off items in order to assist in year on year comparability.

(3) Excludes £13m profit from Finland (sold August 2012) and £22m of benefits related to exceptional policyholder tax.

(4) Quilter Cheviot and Old Mutual Wealth.

(5) For illustrative purposes only.

TRANSACTION TERMS

Transaction Consideration

- £585m payable at completion
- £543m payable to Quilter Cheviot shareholders and to repay Quilter Cheviot outstanding debt and other non-operating liabilities
- £42m of deferred consideration payable to management shareholders aligned to business performance

Sources of Funds

- Cash consideration at closing to be funded with excess cash on balance sheet
- Includes £300m of gross proceeds from Old Mutual Asset Management IPO and pre-IPO dividend
- Includes £245m of gross proceeds from the sale of European non-core assets

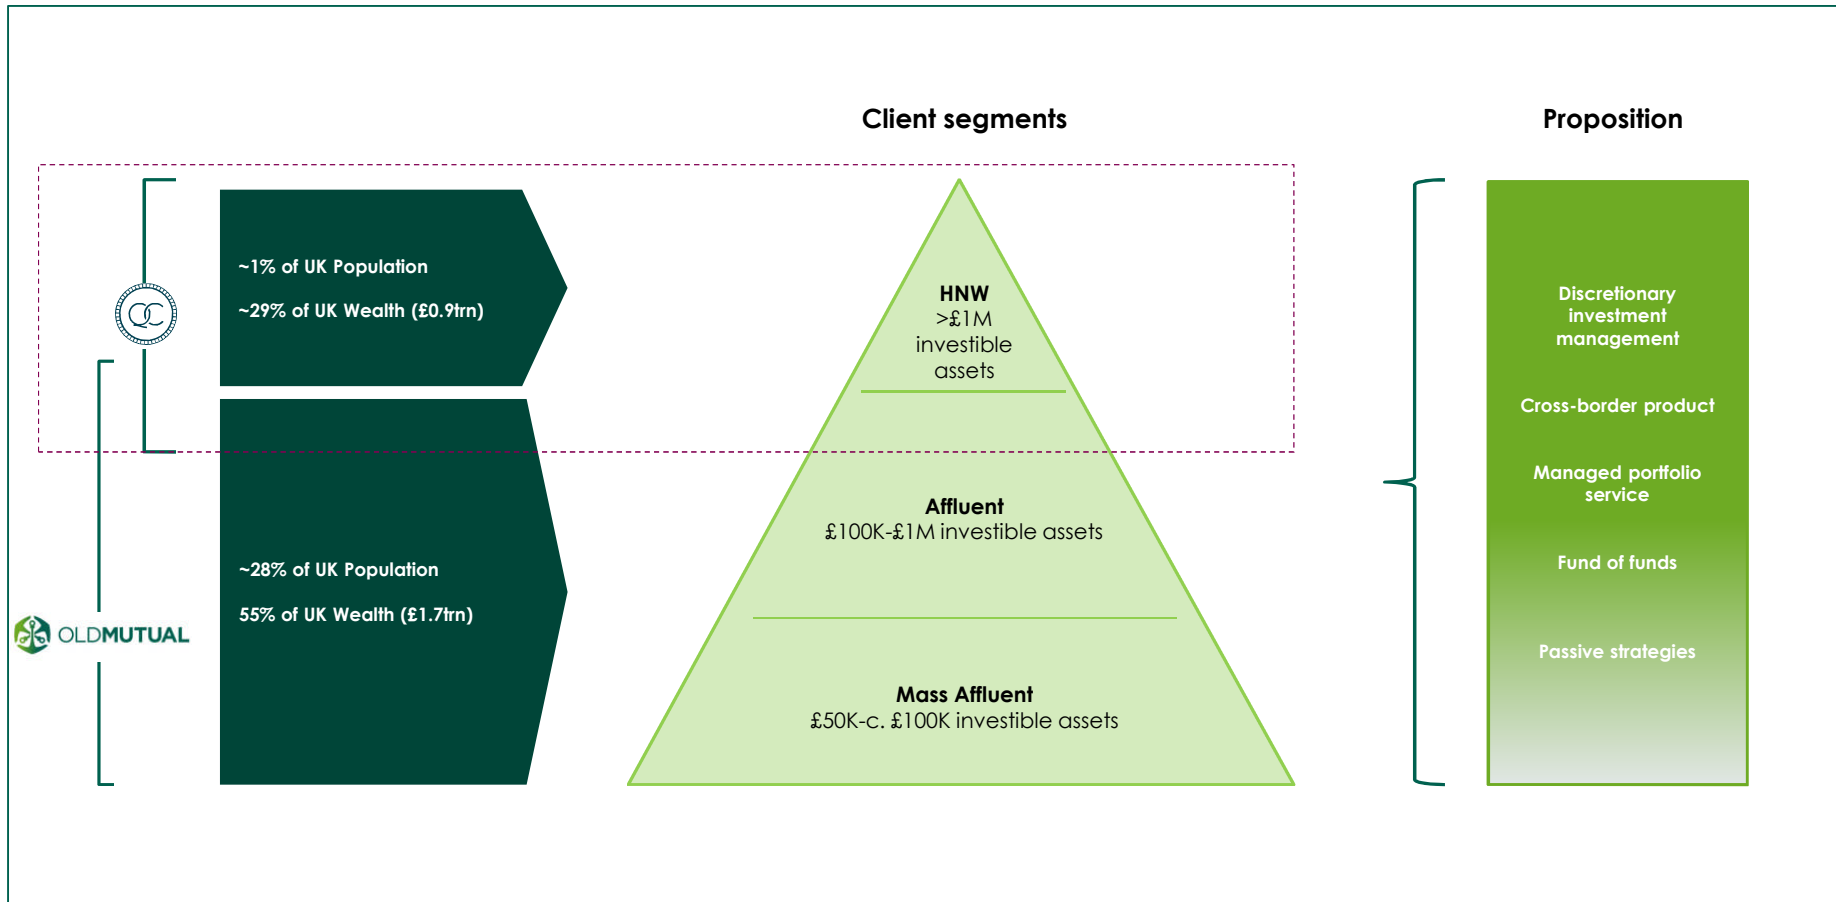

Timing

- Expected closing Q1 '15

Approvals

- Customary regulatory approvals

ACQUIRING SCALE IN ATTRACTIVE AFFLUENT / HNW SEGMENT
