PART I

LETTER FROM THE CHAIRMAN

27 February 2015

Dear Shareholder,

I am pleased to provide you with details of our Annual General Meeting, which we are holding in the Presentation Suite, 2nd Floor, Millennium Bridge House, 2 Lambeth Hill, London EC4V 4GG on Thursday, 14 May 2015 at 11.00 a.m. The formal notice of the AGM is set out in Part II of this document. As usual, we are arranging for the AGM to be webcast so that shareholders who cannot readily attend the meeting in London may, if they have access to a computer, observe the proceedings online. The webcast will be accessible via our website by visiting www.oldmutual.com/agm. Also, if you wish to notify us of any questions that you would like to be dealt with at the AGM, please submit them via the Group Company Secretary, either by post to him at the Company's registered office in London or by email to martin.murray@omg.co.uk.

Final dividend

Shareholders are being asked to approve a final dividend of 6.25p per ordinary share (or its equivalent in other applicable local currencies as determined by the directors) for the year ended 31 December 2014. If approved at the AGM, the final dividend will be paid on 29 May 2015 to holders of shares on the register of members at the close of business on 24 April 2015. No scrip dividend is being made available for the final dividend and it will be settled wholly in cash.

Approval of the Directors' Remuneration Report (other than the Directors' Remuneration Policy) for 2014

Again this year, and in line with applicable UK legislation, our Directors' Remuneration Report is split into three sections, the Annual Statement from the Chairman of the Remuneration Committee, the Directors' Remuneration Policy, and the Annual Report on Remuneration. Since no changes are being proposed to our Directors' Remuneration Policy from the version that was approved at last year's AGM, it will not be subject to a further shareholder vote this year. The remainder of the Directors' Remuneration Report will be subject to the usual annual advisory vote (Resolution 6).

Election and re-election of directors

Paul Hanratty and Ingrid Johnson have joined the Board as executive directors since last year and, in accordance with the Company's Articles of Association, they will each stand for election at this year's AGM. We have also announced the appointment, with effect from 1 May 2015, of Vassi Naidoo as a non-executive director of the Company so he, too, will be standing for election.

The UK Corporate Governance Code recommends that all continuing directors of FTSE 350 companies should be subject to annual re-election by shareholders. Accordingly, all the other directors of the Company (except for Reuel Khoza, who will be stepping down as a non-executive director of the Company during May 2015, when he ceases to be Chairman of our majority-owned banking subsidiary, Nedbank Group Limited) will also again be submitting themselves for re-election at this year's AGM.

Further details about each of the directors submitting themselves for election or re-election are provided in the explanatory notes relating to Resolutions 3(i) to 3(xiii) in Part III of this document.

Other information about the AGM

To vote on the resolutions, please fill in a proxy form or voting instruction form (as applicable to your holding) and return it as soon as possible. Details of the return address for proxy forms, and for voting instruction forms addressed to Old Mutual Nominees or Old Mutual Custodial Services Limited, are set out on page 12 of this document. In order to be valid, forms must be received at the applicable return address by no later than 11.00 a.m. (UK time) on 12 May 2015.

As usual, voting on each of the resolutions contained in the notice of AGM will be conducted by a poll and the results will be announced to the markets and reported on the Company's website as soon as practicable after the end of the meeting.

Recommendation

The Board considers that all of the resolutions to be put to the meeting are in the best interests of the Company and its shareholders as a whole. Members of your Board will be voting their own shares in the Company in favour of them and we unanimously recommend that you do so as well.

Yours sincerely,

Patrick O'Sullivan
Chairman

Notes

1. Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. If a share is held by joint shareholders and more than one of the joint shareholders votes (including by way of proxy), the only vote that will count is the vote of the person whose name is listed before the other voter(s) on the register for the share. A proxy form (or, if you hold your shares in dematerialised or immobilised form in the context of Strate or on the Zimbabwe branch register, a voting instruction form) which may be used to appoint a proxy and give proxy instructions (or give voting instructions) either accompanies this document if sent to you by post or can be downloaded and printed out from our website at www.oldmutual.com/agm. Alternatively, you may obtain such a form by contacting our registrars, whose details are set out on pages 12 and 13 of this document.
2. To be effective, the form of proxy or, as the case may be, the voting instruction form and any power of attorney or other authority under which it is signed, or a notarially certified copy of such power or authority, must be received by post or (during normal business hours only) by hand at the applicable return address or via the CREST website by not later than 11.00 a.m. (UK time) on 12 May 2015. If your shareholding has been dematerialised or immobilised in the context of Strate through a CSDP or broker other than Link Market Services, you should contact your CSDP or broker to ascertain the return address for it to process your voting instructions. Similarly, if your shareholding has been dematerialised on the Zimbabwe branch register through a custodian other than Old Mutual Custodial Services Limited, you should contact that custodian to ascertain the return address for it to process your voting instructions. It is recommended that, because of the requirement for votes in relation to shares dematerialised or immobilised in the context of Strate or on the Zimbabwe branch register to be collated through CSDPs, brokers or custodians and then reconciled through PLC Nominees (Pty) Limited or its Zimbabwean equivalent, voting instructions by beneficial owners of such shares should be submitted so as to arrive at least 72 hours before the time of the meeting. Further details of return addresses for proxy forms and for voting instruction forms for shareholders who hold their shares through Old Mutual Nominees or Old Mutual Custodial Services Limited (see paragraph 6 below) are set out on page 12 of this document.
3. The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in paragraph 8 below) will not prevent a shareholder from attending the AGM and voting in person if he or she wishes to do so.
4. Beneficial shareholders who hold their shares through the Swedish nominee, Euroclear Sweden AB, may provide Euroclear Sweden AB with voting instructions or may apply for a letter of representation from the registered shareholder to enable them to attend the AGM in person. If you are such a beneficial shareholder and wish to submit voting instructions, it is recommended that you submit these to Old Mutual plc, c/o Computershare AB, Box 610, 182 11 Danderyd, Sweden so as to arrive by the close of business on 11 May 2015 in order to assist with the matching of records with data relating to underlying beneficial shareholders.
5. Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder

as to the exercise of voting rights. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 1 and 2 above does not apply to Nominated Persons. The rights described in those paragraphs can only be exercised by shareholders of the Company.

6. A member who holds shares through Old Mutual Nominees or Old Mutual Custodial Services Limited may instruct the nominee company to vote at the AGM on his or her behalf or request such nominee company to appoint or, in the case of shares dematerialised or immobilised in the context of Strate or on the Zimbabwe branch register, to arrange with the registered shareholder to appoint him or her as proxy to enable him or her to attend the AGM in person (Old Mutual Nominees is Old Mutual (South Africa) Nominees (Pty) Limited, Old Mutual (Namibia) Nominees (Pty) Limited, Old Mutual Zimbabwe Nominees (Private) Limited or Old Mutual (Blantyre) Nominees Limited, depending on whether shares are held through the Group's nominee on the South African, Namibian, Zimbabwe or Malawian branch register respectively). Beneficial holders of shares on the South African branch register or the Namibian section of the principal register who have dematerialised or immobilised their shareholdings in the context of Strate other than through Old Mutual Nominees or who have dematerialised their shares on the Zimbabwe branch register through a custodian other than Old Mutual Custodial Services Limited may provide their CSDP, broker or custodian with voting instructions in accordance with the applicable custody agreement or may apply to that CSDP, broker or custodian for a letter of representation from the registered shareholder to enable them to attend the AGM in person.
7. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
8. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Equiniti ID RA19 not later than 11.00 a.m. UK time on 12 May 2015. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which Equiniti is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
9. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

10. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
 11. Any corporation which is a member of the Company may appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
 12. To be entitled to attend and vote at the AGM (and for the purpose of determination by the Company of the votes they may cast), shareholders must be registered in the register of members of the Company at 6.00 p.m. (UK time) on 12 May 2015 (or, in the event of any adjournment, on the date which is two business days before the time of the adjourned meeting). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.
 13. The total number of voting rights in the Company's issued share capital at 26 February 2015 (being the last business day prior to publication of this notice) was 4,925,990,663.
 14. The form of proxy and voting instruction form include a "Vote Withheld" option against each resolution, which enables a member to abstain on that resolution. However, it should be noted that a "Vote Withheld" is not a vote in law and will not be counted in the calculation of the proportion of the votes "For" and "Against" that resolution.
 15. Under section 527 of the Companies Act 2006, members who meet the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to:
 - (i) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the AGM; or
 - (ii) any circumstance connected with the auditors of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006.
- The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.
16. Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting, but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
 17. A copy of this notice, and other information required by section 311A of the Companies Act 2006, is available on the Company's website at www.oldmutual.com/aggm.
 18. Shareholders may not use any electronic address provided in either this notice of AGM or any related documents (including the proxy form and the voting instruction form) to communicate with the Company for any purposes other than those stated.

PART III

EXPLANATORY NOTES RELATING TO THE BUSINESS TO BE CONDUCTED AT THE AGM

The notes on the following pages give an explanation of the proposed resolutions.

Resolutions 1 to 7 will be proposed as ordinary resolutions. This means that, for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 8 to 10 will be proposed as special resolutions. This means that, for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 2 – Final dividend

A final dividend for the year ended 31 December 2014 of 6.25p per Ordinary Share (or its equivalent in other applicable local currencies as determined by the directors) is recommended by the Board. Subject to the dividend being approved at the AGM, it is expected that the relevant subsidiaries of the Company will declare to the trustees of the Group's dividend access trusts in each of South Africa, Zimbabwe, Namibia and Malawi (or, in the case of South Africa, a company associated with the local dividend access trust) an equivalent amount of dividend in relation to the estimated number of shares on those territories' respective registers in their respective local currencies (this being US dollars in the case of Zimbabwe) by reference to exchange rates determined by the Company at the close of business on 9 April 2015.

Shareholders on the branch registers (or, in the case of Namibia, the relevant section of the principal register) in those territories will then receive their dividend, in accordance with the provisions of the Company's Articles of Association, from the dividend access trust concerned (or, in the case of South Africa, a company associated with the local dividend access trust) rather than from the Company.

In relation to shareholders who hold their shares in the Company through the Swedish nominee, Euroclear Sweden AB, the SEK equivalent of the Sterling dividend will also be fixed by reference to the exchange rate determined by the Company at the close of business on 9 April 2015.

Further information about the timetable for the final dividend is contained in the Shareholder Information section of the Company's Annual Report and Accounts for 2014 and on the Company's website.

Resolutions 3(i) to (xiii) – Election and re-election of Directors

Resolution 3(i): Election of Paul Hanratty

Paul Hanratty, B.Bus.Sc., F.I.A., (53) has been Chief Operating Officer of the Company since July 2014 (having previously been Group Operating Officer from March 2013) and Chairman of Old Mutual Emerging Markets or its predecessor Old Mutual South Africa (OMSA) since September 2009. He is also a non-executive director of Old Mutual Wealth Management Limited. He joined OMSA in 1984. He is a Fellow of the Institute of Actuaries and has held a number of roles at Old Mutual, including Head of Product Development, General Manager Finance and Actuarial, Head of the Retail business of OMSA, and CEO of Long-Term Savings. He joined the Board of OMSA's life business in 2003 and became Managing Director of OMSA in 2006.

His knowledge and experience gained from the various roles that he has held with OMSA over many years and his close involvement with Old Mutual Wealth provide important insights for the Board into these businesses. His election is therefore recommended to shareholders.

Resolution 3(ii): Election of Ingrid Johnson

Ingrid Johnson C.A.(SA), A.M.P. (Harvard), (48) has been Group Finance Director since July 2014. She is also a non-executive director of Old Mutual Wealth Management Limited. Prior to taking on the role of Group Finance Director, she had 20 years' broad-based financial services experience with Nedbank Group in both line and financial roles. She was appointed to the Nedbank Group Executive Committee in 2008. Her most recent responsibility there, in addition to being a Prescribed Officer, was as Group Managing Executive: Retail and Business Banking. She assumed this role in August 2009, taking responsibility for the turnaround of the Retail Banking cluster and managing the integration of Imperial Bank, in addition to retaining her role of leading the commercial cluster, Business Banking, which she had held since 2005.

She has already demonstrated her considerable analytical and management skills in her new role and her election is therefore recommended to shareholders.

Resolution 3(iii): Election of Vassi Naidoo

Vassi Naidoo, C.A.(SA), (59) will be joining the Board as a non-executive director from 1 May 2015. His appointment was made following his selection by Nedbank Group Limited and Nedbank Limited ("Nedbank") as their prospective new Chairman. He will also join Nedbank's boards from 1 May 2015 and succeed Reuel Khoza, Nedbank's current Chairman, on 11 May 2015. As well as joining the Board, he will also become a member of the Board Risk and Nomination Committees after the AGM. Qualified as a South African and UK Chartered Accountant, he retired from Deloitte's London office at the end of November 2014.

Vassi Naidoo has excellent knowledge of banking and deep experience and skills in relation to financial services. He has a clear commitment to Africa and extensive experience on the continent which is a critical part of our Group strategy. His election is therefore recommended to shareholders.

Resolution 3(iv): Re-election of Mike Arnold

Mike Arnold, B.Sc., F.I.A., (67) has been an independent non-executive director of the Company since September 2009 and chairs the Board Risk Committee. He is also a member of the Group Audit Committee. He is a qualified actuary and was formerly Principal Consulting Actuary and Head of Life practice at the consulting actuarial firm Milliman from 2002 to 2009. Prior to that, he had been the senior partner at the practice from 1995, having joined one of its predecessor organisations as a recently qualified actuary in 1971. He is a past Member of Council and Vice Chairman of the Institute of Actuaries, past Chairman of the International Association of Consulting Actuaries and past member of the Board of Actuarial Standards. He is also a non-executive director of Financial Information Technology Limited and of Scottish Equitable Policyholders Trust Limited.

Mike Arnold brings to the Board a detailed understanding of actuarial matters, which enables the Group Audit Committee (of which he is a member) and the Board Risk Committee (which he chairs) to provide technical challenge to the Group's reported results, especially those of its life businesses.

The Board's collective and individual effectiveness was assessed as part of the externally conducted Board effectiveness review for 2014. Mike Arnold's individual performance was also reviewed by the Chairman. His contribution to the Board during 2014, including his Chairmanship of the Board Risk Committee, was seen as very valuable. His re-election is therefore recommended to shareholders.

Resolution 3(v): Re-election of Zoe Cruz

Zoe Cruz, B.A., M.B.A., (60) has been an independent non-executive director of the Company since January 2014. She is also a member of the Board Risk and Remuneration Committees.

She was Co-President for Institutional Securities and Wealth Management at Morgan Stanley from 2005 to 2007, where she was responsible for running major revenue-generating businesses, including overseeing their securities risk management and information technology. From 2009 to 2012, she was involved in founding and running her own investment management firm, Voras Capital Management. Prior to becoming Co-President of Morgan Stanley, she had been its Global Head of Fixed Income, Commodities and Foreign Exchange from 2001 until 2005. She joined the company in 1982 and was the third founding member of the foreign exchange group. She became a Vice President in 1986, Principal in 1988, Managing Director in 1990 and was Co-Head of the Foreign Exchange Group from 1993 until 2001. Her early career was spent as a foreign exchange trader with New England Merchants National Bank.

Her extensive experience of international financial markets and asset management have provided the Board with additional insight into these important areas of the Group's business during 2014. Her re-election is therefore recommended to shareholders.

Resolution 3(vi): Re-election of Alan Gillespie

Alan Gillespie CBE, B.A., M.A., Ph.D., (64) has been an independent non-executive director of the Company since November 2010 and became the Senior Independent Director in May 2011. He is also a member of the Remuneration and Nomination Committees. His banking career began at Citibank, where he spent 10 years from 1976 to 1986. He joined Goldman Sachs in New York in 1986 and was made a partner of the firm in 1990, with responsibility for corporate finance and mergers and acquisitions in the UK and Ireland. He jointly led the firm's financial services practice in Europe and in 1996 established Goldman Sachs' presence in South Africa. After retiring from Goldman Sachs in 1999, he became Chief Executive of the Commonwealth Development Corporation in the UK. From 2001-2008 he was Chairman of Ulster Bank, a subsidiary of Royal Bank of Scotland plc. He is currently Senior Independent Director of United Business Media plc and Chairman of the Economic & Social Research Council.

Alan Gillespie's background in investment banking and financial services has enabled him to make a valuable contribution to the Board's deliberations during the past year, particularly in discussions of the Group's future strategic direction. He has also fulfilled the role of Senior Independent Director effectively, participating when required in discussions with significant shareholders and ensuring that their views are made known to the Board. His re-election is therefore recommended to shareholders.

Resolution 3(vii): Re-election of Danuta Gray

Danuta Gray, B.Sc., (56) has been an independent non-executive director of the Company since March 2013. She is Chairman of the Remuneration Committee and also a member of the Nomination Committee.

She was Chairman of Telefónica O2 in Ireland until December 2012, having previously been its Chief Executive from 2001 to 2010. Prior to that, she was a Senior Vice President for BT Europe in Germany, where she gained experience in sales, marketing, customer service and technology and in leading and changing large businesses.

Danuta Gray is a non-executive director of Aldermore Group plc, Aldermore Bank plc, Michael Page International Plc and Paddy Power PLC. She previously served for seven years on the board of Irish Life and Permanent plc and was also a director of Business in the Community.

Her background in mobile telecommunications and IT widens the Board's skill base as the Group increases its distribution capabilities using new technologies, and she also has great insight into life assurance and related financial services through her past experience. Her re-election is therefore recommended to shareholders.

Resolution 3(viii): Re-election of Adiba Ighodaro

Adiba Ighodaro, LL.B., ACCA, (51) has been an independent non-executive director of the Company since January 2014. She is also a member of the Group Audit Committee. She obtained a law degree in London, before moving to Nigeria, where she qualified at the Nigerian Bar and worked initially in private practice. She then joined the Commonwealth Development Corporation (CDC) in 1991, first in London, and later in Lagos, with a remit to establish CDC's Nigerian business. In 1995, her focus moved to the Caribbean as a Senior Investment Executive and Investment Manager, helping to obtain investment for and dispose of some of CDC's interests in Africa and the Caribbean. Later she became CDC's Country Manager for Nigeria. She also became Head of West Africa, with responsibility for building the investment business of Actis across the region. Actis was spun out of CDC in 2004, resulting in her role changing primarily to raising capital for Actis's private equity energy and real estate funds (which have \$5 billion of funds under management).

Adiba Ighodaro was a founding Board Director and Investment Committee member of Capital Alliance Private Equity Limited, Nigeria. She is a partner with Actis.

Her knowledge and experience of investing and operating in sub-Saharan Africa have widened the Board's ability to evaluate opportunities as the Group pursues its strategy of expanding further into this region. Her re-election is therefore recommended to shareholders.

Resolution 3(ix): Re-election of Roger Marshall

Roger Marshall, B.Sc. (Econ.), F.C.A., (66) has been an independent non-executive director of the Company and Chairman of the Group Audit Committee since August 2010. He is also a member of the Board Risk and Remuneration Committees. He was formerly an audit partner in PricewaterhouseCoopers, where he led the audit of a number of major groups, including Zurich Financial Services and Lloyds TSB. Previous outside appointments included six years as a member of the Accounting Standards Board. He is Chairman of the Accounting Council, a Director of the Financial Reporting Council and a non-executive director of Genworth Financial's European insurance companies.

Roger Marshall's long experience of auditing major life companies gives him the ideal background to chair the Group Audit Committee and also enables him to make a valuable contribution to the Board's discussions, particularly in addressing the financial implications of alternative courses of action. His Chairmanship of the Group Audit Committee during 2014 was considered as part of the Board effectiveness review and rated as very effective, with excellent co-ordination between that Committee and the Board Risk Committee. His re-election is therefore recommended to shareholders.

Resolution 3(x): Re-election of Nkosana Moyo

Nkosana Moyo, Ph.D., M.B.A., (63) has been an independent non-executive director of the Company since September 2013. He is also a member of the Remuneration and Group Audit Committees. He is the Founder and Executive Chairman of the Mandela Institute for Development Studies ('MINDS'), which is an institute that seeks to address developmental challenges in Africa. Prior to founding MINDS, he was Vice President and Chief Operating Officer of the African Development Bank from 2009-2011. From 2004-2009 he was the Managing Partner for the Africa Business of Actis Capital LLP and also served as Senior Adviser and Chairman of the Actis Africa Advisory Board. In 2001, he joined the International Finance Corporation of the World Bank as an Associate Director, based in Washington, with responsibility for all SME operations in Africa.

During 2000, he served as Minister of Industry and International Trade in the Cabinet of the Zimbabwean Government. Prior to his Cabinet appointment, he had held Managing Director positions at both Batanai Capital Finance (a venture capital company in Zimbabwe founded by himself) from 1997-2000, and at Standard Chartered Bank from 1990 to 1995, where he was later appointed as the African Regional Head for Corporate Banking, based in London, with responsibility for operations in 14 African countries. During his career, he has also had numerous board appointments, including serving on the Advisory Board of Unilever. He currently sits on the boards of the Investment Climate Facility and of the Africa Leadership Institute.

Nkosana Moyo's extensive experience in financial services and knowledge of African markets and governments have widened the Board's skill base as the Group continues to execute its strategy of expanding its footprint on the African continent. His re-election is therefore recommended to shareholders.

Resolution 3(xi): Re-election of Nonkululeko Nyembezi-Heita

Nonkululeko Nyembezi-Heita, B.Sc., MSc., M.B.A. (54) has been an independent non-executive director of the Company since March 2012. She is also a member of the Board Risk and Nomination Committees. She was Chief Executive Officer of ArcelorMittal South Africa, the largest steel producer on the African continent, from 2008 until February 2014. She is now CEO of Ichor Coal N.V. and independent non-executive Chairman of the JSE Limited. Prior to joining ArcelorMittal, she served as the Chief Officer of Mergers and Acquisitions for the Vodacom Group and before that, she was Chief Executive Officer of Alliance Capital (which was at that time the local South African subsidiary of the New York-based global investment management company) for seven years.

Having served as a non-executive director on the board of Old Mutual Life Assurance Company (South Africa) Limited between May 2010 and March 2012 (a position she relinquished upon taking on her role at plc level), Nonkululeko Nyembezi-Heita brings to the Board significant knowledge of one of the Group's major businesses, as well as more general insight into the South African business environment as a result of her current and previous senior executive roles in that country.

Her individual performance was also reviewed as part of the Board effectiveness review. She was seen as having contributed effectively to the Board during the year, with detailed financial accounting knowledge, a broad commercial focus, and knowledge and experience of South Africa. Her re-election is therefore recommended to shareholders.

Resolution 3(xii): Re-election of Patrick O'Sullivan

Patrick O'Sullivan, B.B.S., F.C.A. (Ireland), M.Sc., (65) joined the Board as Chairman in January 2010. He also chairs the Nomination Committee. From 2007 until 2009, he was Vice Chairman of Zurich Financial Services, where he had specific responsibility for its international businesses including those in South Africa. He had previously held roles at Zurich as Group Finance Director and CEO, General Insurance and Banking, of its UKISA division. Qualified as a chartered accountant, his prior experience includes positions at Bank of America, Goldman Sachs, Financial Guaranty Insurance Company (a subsidiary of GE Capital), Barclays/BZW and Eagle Star Insurance Company. He is also Chairman of the Shareholder Executive in the UK, Deputy Governor of the Bank of Ireland and Chairman of Equity Syndicate Management at Lloyd's.

Patrick O'Sullivan has a strong track record of leading financial services businesses through periods of challenge and of tackling strategic issues successfully. His wide-ranging international experience and knowledge of the financial services industry, allied with excellent leadership ability, make him a highly effective Chairman of the Board, as shown by feedback from this year's Board effectiveness review. He was seen as having effectively led the Board during the past twelve months and created an appropriate atmosphere of challenge, contribution and inclusion across the Board. His re-election is therefore recommended to shareholders.

Resolution 3(xiii): Re-election of Julian Roberts

Julian Roberts, B.A., F.C.A., M.C.T., (57) has been Group Chief Executive of the Company since September 2008. He is also Chairman of NYSE-listed OM Asset Management plc and a non-executive director of Nedbank Group Limited, Nedbank Limited and Old Mutual Emerging Markets. He joined Old Mutual in August 2000 as Group Finance Director, moving on to become CEO of Skandia following its purchase by Old Mutual in February 2006. Prior to joining Old Mutual, he was Group Finance Director of Sun Life & Provincial Holdings plc and, before that, Chief Financial Officer of Aon UK Holdings Limited.

Since becoming Group Chief Executive, Julian Roberts has steered the Group successfully through the aftermath of the 2008-9 financial crisis, including establishing clear targets for the following years and driving the Group's continuing strategic development. His knowledge of the Group's businesses and his depth of previous experience in the life sector make him a very strong contributor to the Board and leader of the Group. His re-election is therefore recommended to shareholders.

The Chairman's and other non-executive directors' engagement letters and the executive directors' service agreements are available on the Company's website.

Resolutions 4 and 5 – Auditors

Resolution 4 proposes the re-appointment of KPMG LLP as the Company's auditors until the end of the next AGM. Resolution 5 proposes that the Group Audit Committee should be authorised to determine the auditors' remuneration for 2015.

Resolution 6 – Approval of the Directors' Remuneration Report

Resolution 6 proposes the approval of the Directors' Remuneration Report (other than the section containing the Directors' Remuneration Policy, which was approved by shareholders at last year's AGM and remains in force, unless amended in the meantime, for three years). This part of the report includes details of how directors' remuneration was implemented during 2014 and is intended to be implemented during 2015. Resolution 6 is of an advisory nature only, and failure to pass this resolution will therefore not have any legal consequences relating to existing

arrangements or to the Directors' Remuneration Policy. The Board will, however, take the outcome of the vote on Resolution 6 into account when considering the Directors' Remuneration Policy in the future.

The Directors' Remuneration Report is available on the Company's website.

Resolutions 7 and 8 – Authorities to allot shares

In accordance with section 551 of the Companies Act 2006, it is proposed to renew the authority for the directors to allot shares in the Company up to 246,295,000 Ordinary Shares (with an aggregate nominal value of £28,148,000), representing 5% (rounded down to the nearest £1,000 nominal) of the issued ordinary share capital at 26 February 2015, without having to obtain prior approval from shareholders.

In accordance with the Companies Act 2006, it is proposed to renew the authority of the directors to allot equity securities, and to give directors the authority to sell any Ordinary Shares which the Company may from time to time hold in treasury, for cash without first being required to offer such securities pro rata to existing shareholders in accordance with the provisions of the Companies Act 2006. The disapplication authority contained in Resolution 8 is limited to 246,295,000 Ordinary Shares (with an aggregate nominal value of £28,148,000), being 5% (rounded down to the nearest £1,000 nominal) of the issued ordinary share capital of the Company at 26 February 2015. In accordance with the Pre-emption Group's 2008 Statement of Principles, the Company confirms that it does not plan to issue, without prior consultation with shareholders, more than 7.5% of the Company's issued share capital (excluding treasury shares) for cash other than to existing shareholders in any rolling three-year period.

The directors have no present intention to allot additional Ordinary Shares in the Company under these authorities except pursuant to existing employee share plans. However, these authorities provide the Company with flexibility to be able to respond to opportunities and requirements as they arise during the year.

The authorities sought under resolutions 7 and 8 will expire at the end of the next AGM of the Company.

Resolutions 9 and 10 – Purchase of own shares

We are proposing that the existing authorities for the Company to buy back its shares should be renewed for a further year. These authorities provide the Company with desirable flexibility in its capital management. Approval is sought in Resolution 10 for four contingent purchase contracts with the respective named counterparties relating to potential purchases of the Company's shares on the four overseas stock exchanges where the Company has a secondary listing. These contracts are intended to enable the Company to buy back its shares on those exchanges in similar fashion and subject to the same overall limit on quantum as on-market purchases on the London Stock Exchange.

The authorities sought are subject to a limit of 492,590,000 shares, representing 10% (rounded down to the nearest £1,000 nominal) of the Company's issued ordinary share capital at 26 February 2015.

The purchase price for any shares is: (i) for on-market purchases, the higher of: (a) an amount equal to 5% above the average market value of an Ordinary Share taken from the London Stock Exchange Daily Official List for the five business days before the date on which such Ordinary Share is contracted to be purchased; and (b) the higher of the price of the last independent trade and the highest current independent bid on the trading venues where the

purchase is carried out, in each case, exclusive of expenses; or (ii) for purchases under any of the contingent purchase contracts, no more than 5% above the average of the closing quotations in local currency terms as reported by the local stock exchange concerned for the five business days preceding such purchase. Any shares purchased under the authority to be granted by Resolution 9 or pursuant to any of the contingent purchase contracts to be approved under Resolution 10 will either be cancelled or may be held as treasury shares (see below).

In accordance with the Companies Act 2006, companies may retain their own shares that they have repurchased as treasury stock with a view to possible re-issue at a future date, rather than cancelling them. If the Company were to purchase any of its own shares pursuant to the authorities sought in Resolutions 9 and 10, it would consider whether or not to hold them as treasury stock. If they were so held, this would give the Company the ability to re-issue treasury shares quickly and cost-effectively, and would provide the Company with additional flexibility in the management of its capital base.

The directors have no present intention of exercising the authority to buy back any of the Company's shares and the authorities under Resolutions 9 and 10, if approved, would only be exercised if it could be expected to result in an increase in earnings per share and if the Board considered it to be in the best interests of shareholders generally.

At 26 February 2015, the Company had outstanding option awards under employee share schemes that involve potential rights to acquire newly-issued shares equivalent to 9,013,148 additional Ordinary Shares, representing 0.18% of the Company's issued ordinary share capital at that date. If the existing authorities to allot shares given at the 2014 AGM and the authorities to be given by Resolutions 9 and 10 were to be fully used, these option awards would represent 0.19% of the Company's issued ordinary share capital at that date.

Documents available for inspection

Copies of the executive directors' service contracts, the engagement letters of the Chairman and other non-executive directors and the contingent purchase contracts referred to in Resolution 10 are available for inspection at the registered office of the Company in London during normal business hours on each business day from the date of this notice until the end of the AGM and in the Presentation Suite, 2nd Floor, Millennium Bridge House, 2 Lambeth Hill, London EC4V 4GG from at least 15 minutes prior to the AGM until the end of that meeting. These documents will also be available in the AGM section of the Company's website until the end of that meeting.
